

## About Trilliunware

**Trilliunware (PT. Trilliun Prima Sukses)** was founded in 2009 as a Design and Manufacturer of ceramic sanitary ware. The factory is located in Surabaya, East Java, Indonesia.

Quality is the soul of the company; which has been implemented by setting high quality standards followed by strict management control within the production line and the finished product. This process has been carried out consistently to meet customer satisfaction.

Our strict manufacturing process combined with skilled and experienced personnels ensures that **Trilliunware** only producing Premium Grade sanitary ware product, such as Water Closet, Lavatory, Urinal, Bidet, Accessories, and equipped with exclusive fittings.

We also believe that good design is good business, therefore we invest heavily in design, creative research and the development of sanitary ware products. Each of our product has undergone numerous tests and design refinement prior to release it to the market, to ensure all are user friendly, creatively designed, and looks great in our customer's home.
